**Message from...**  
**Eric Glenn**  
 Head Coach  
 South Dakota Mines

The objectives of the HARDROCKER TEAM & INDIVIDUAL SKILL CAMPS are to provide teams and individuals the opportunity to improve their fundamental skills, develop their understanding of the game of basketball and to teach good sportsmanship on and off the court. It is our goal to offer the best basketball teaching experience in America at an affordable price.

Our team camps have hosted numerous state tournament qualifiers and state champions from nine different states. They will offer teams the opportunity to play against solid competition in quality facilities at a very reasonable price.

Our Individual Camp will stress fundamentals of shooting, passing, dribbling, rebounding, offensive movement, and defensive footwork. Our staff is comprised of area head coaches and Hardrockers players. The most important aspect is the development of sportsmanship and a great attitude for the game of basketball.

We look forward to seeing you at the "HARDROCKER BASKETBALL SCHOOL" this summer.

Go Rockers,

Eric Glenn  
 Head Basketball Coach  
 South Dakota School of Mines
